

This year Portsmouth City Council are overseeing another Summer Holiday Activities and Food (HAF) program, HAF Fun Pompey Summer 2022. Please visit [www.pycportsmouth.co.uk/haffunpompey](http://www.pycportsmouth.co.uk/haffunpompey) for more about HAF Fun Pompey and the full list of providers and activities.

As part of HAF Fun Pompey, Motiv8 [www.motiv8.org.uk](http://www.motiv8.org.uk) a local youth charity will be running a weekly activity program from the Hilsea Hub, Howard Road every Tuesday, Wednesday and Thursday 11am to 3pm throughout the summer holidays.

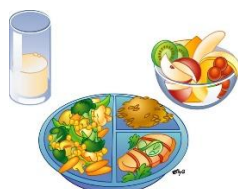

**The Motiv8 HAF program is completely FREE and is only open to young people aged 11 to 13 years who receive benefit-related Free School Meals.**

Each day there will be a combination of onsite activities at The Hilsea Hub and off site activities at various activity and leisure centres around the local area. On site, activities will include Art, Craft, Cooking, Table Tennis, Pool, Games and much more. Offsite activities will include Flip Out, Ice Skating and Climbing, and Visits to Local Attractions and other great activities.

Participants will need to make their own way to and from the Hilsea Hub, all other transport to and from the activities will be provided by Motiv8.

The young people attending will receive a healthy lunch prepared on site and encouraged to take part in healthy eating activities, including preparing lunch and snacks together.

To take part in the program an online registration form must be completed for each child by using this link: [Motiv8-Haf-Fun-Pompey-Summer-2022-Registration-Form](#)

Once your child registers with Motiv8, they will also be able to attend the other activities that we have going on in the area for all young people aged 10 – 16. A timetable of our **FREE** open access summer activities, including swimming, fishing, football and lots more, will be shared once we have received your registration form.
