

**Community Arts Exhibition - What are you Grateful For?
Saturday 18th September 2021
St Margaret's Church, Highland Road, Southsea, PO4 9DD**

We would like to share this event with all of our friends at Motiv8.

The brilliant Charla Grant from The Grateful Hearts Club is hosting an Art Exhibition as a celebration of the coming together of local creative artists and the young people of Motiv8.

Young people from Motiv8 have been getting involved in weekly art and creative sessions throughout the summer supported by Charla and a team of brilliant local creative artists. The artists and the young people will be exhibiting their artwork together.

All the Artists are donating one piece of art which will focus on the theme of 'What are you grateful for?' The proceeds from the sale of this artwork will be donated to Motiv8, so please feel free to share these details and bring your friends and family on the day!

We have attached the poster for the Community Arts Event, which is being held at St Margaret's Church, Highland Road, Southsea, PO4 9DD on Saturday 18th September. The event begins at 10am and is open until 4pm; the initial speeches/opening will be between 10-11am.

We hope you can join us. For more information, please email fundraising@motiv8south.org.uk
