

Welcome to the spring 2023 update for our Corporate Partners! It has been a busy few months, we have been supporting events like Victorious, We Shine Portsmouth and Joyjam, Holiday and Food programmes for young people, winning a Power of Youth award and leading the first Stars of Hope Christmas Campaign.

We have seen a 263% increase in referrals for young people since pre-pandemic times and we aim to grow our impact, increase opportunities and resilience in our young people. Thank you on behalf of Motiv8 for all your wonderful continued support- we really do appreciate it!

CORPORATE STORY OF THE MONTH

Motiv8 led a Christmas campaign in December 2022, Stars of Hope. The light up star trail in Portsmouth was a great success, involving 9 different businesses sponsoring a star and a further 6 hosting a star on or inside their building.

KSA Architects Ltd.

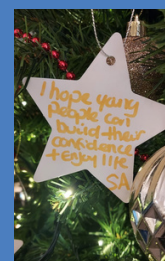

The people orientated placemakers.

We would like to highlight **KSA ARCHITECTS LTD**, who approached us after seeing a press release and reached out. Thank you to all involved, Stars of Hope raised over £5,000 which will help provide increased hot food and hours of safe warm support for young people through this winter. We are looking forward to Stars of Hope 2023! Please contact us for further information.
